Art Request

Always exciting things happening in the Art room! The Art Department needs help! We are collecting plastic bottle caps of all types, magazines, newspapers and the cardboard tubes from inside paper towels or wrapping paper for upcoming projects with recycled materials!

International Games Month

International Games Month (IGM) is celebrated each year in the month of November. IGM is an initiative organized by the American Library Association in partnership with library organizations around the world and run by volunteers to reconnect communities through their libraries around the educational, recreational, and social value of all types of games. Throughout November in the library, your students will be playing games such as Clue, Connect 4, Sorry, Battleship and Twister. Be sure and ask your student which game was their favorite and get them excited to play board games at home with the entire family!
