

Scott-Morgan CUSD #2 ARP ARP-ESSER III Funds Use Plan

- Scott-Morgan CUSD #2 has a remaining \$28,187 from the ARP-ESSER III Grant that will need to be expended by September, 2024. Information on the grant application has been shared during the school board meetings dating back to 2021. A request for public input was posted on the district website on August 2021. The items written into the 2023-2024 budget are similar items written into the budget over the prior two years.
- Funds are being used and were used to address learning loss during the pandemic (summer school, after school tutoring and additional staff member).
- No prevention strategies aligning with CDC guidance are addressed with these funds, other than the improvement of indoor air quality.
- The interventionist will address lost instructional time with students (who would have lost instructional time during the pandemic)
- Scott-Morgan CUSD #2 will use the final allocated funds as follows:
 1. \$ 5,184-Stipend for afterschool tutoring during school year 2024
 2. \$ 6,524-Stipend for summer school teachers during school year 2024
 3. \$2,250-Benefits for the additional teacher for school year 2024
 4. \$14,229 – to improve the indoor air quality of the classroom environment
